Plan Terms

Advantage Plan services are available only during your annual agreement period. All plans are provided on a 12-month term. Upgrades to Plan can be made at any point during a service term, with the difference in the Plan cost paid by the end of the period. Reduction of your Plan choice is only allowed at your annual renewal. Our agreement with OFDA provides the extension of your service for a 13th month at no additional cost. Your service period will be extended by 30 days without additional billing.
